**UNPUBLISHED DECISION**<sup>1</sup>

On May 25, 2023, the parties filed a joint stipulation concerning the petition for compensation filed by Stamatia Haritoudis on January 8, 2021. Petitioner alleged that the flu vaccine she received on October 16, 2019 caused her to suffer from a dermatofibroma and keloid scar. Petitioner further alleges that her symptoms persisted for more than six months. Petitioner represents that there has been no prior award or settlement of a civil action for damages on her behalf as a result of her conditions.

Respondent denies that the vaccine caused petitioner to suffer from a dermatofibroma and keloid scar.

Nevertheless, the parties agree to the joint stipulation, attached hereto. The undersigned finds said stipulation reasonable and adopts it as the decision of the Court in awarding damages, on the terms set forth therein.

<sup>1</sup> Because this decision contains a reasoned explanation for the action taken in this case, it must be made publicly accessible and will be posted on the United States Court of Federal Claims' website, and/or at <https://www.govinfo.gov/app/collection/uscourts/national/cofc>, in accordance with the E-Government Act of 2002, 44 U.S.C. § 3501 note (2018) (Federal Management and Promotion of Electronic Government Services). This means the decision will be available to anyone with access to the internet. In accordance with Vaccine Rule 18(b), the parties have 14 days to identify and move to redact medical or other information, the disclosure of which would constitute an unwarranted invasion of privacy. Any changes will appear in the document posted on the website.

Damages awarded in that stipulation include:

- A. A lump sum of **\$24,938.50** in the form of a check payable to petitioner. This amount represents compensation for all damages that would be available under 42 U.S.C. § 300aa-15(a).
- B. A lump sum of **\$61.50<sup>2</sup>**, representing reimbursement of a Medicaid lien for services rendered to petitioner by the State of California, in the form of a check payable jointly to petitioner and the California State Treasurer:

Petitioner agrees to endorse this check to the California State Treasurer. These amounts represent compensation for all damages that would be available under 42 U.S.C. § 300aa-15(a).

In the absence of a motion for review filed pursuant to RCFC, Appendix B, the clerk is directed to enter judgment according to this decision and the attached stipulation.<sup>3</sup>

<sup>3</sup> Pursuant to Vaccine Rule 11(a), the parties can expedite entry of judgment by each party filing a notice renouncing the right to seek review by a United States Court of Federal Claims judge.

The parties hereby stipulate to the following matters:

2. Petitioner received the flu vaccine on or about October 16, 2019.
3. The vaccine was administered in the United States.
4. Petitioner alleges that she suffered from a dermatofibroma and keloid scar as a result of receiving the flu vaccine.<sup>1</sup> Petitioner further alleges that she experienced the residual effects of this injury for more than six months.

<sup>1</sup> In her January 8, 2021 Petition, petitioner alleged she suffered from a Table SIRVA injury and alternatively alleged she suffered from an off-Table injury of a dermatofibroma. ECF No. 1. In her July 9, 2021 Amended Petition, petitioner only alleged she suffered from an off-Table injury of a dermatofibroma and a keloid scar. ECF No. 11.

5. Petitioner represents that there has been no prior award or settlement of a civil action for damages as a result of her alleged condition.

6. Respondent denies that petitioner suffered from dermatofibroma or keloid scar as a result of the flu vaccine and denies that the flu vaccine caused her any other injury or her current condition.

7. Maintaining their above-stated positions, the parties nevertheless now agree that the issues between them shall be settled and that a decision should be entered awarding the compensation described in paragraph 8 of this Stipulation.

8. As soon as practicable after an entry of judgment reflecting a decision consistent with the terms of this Stipulation, and after petitioner has filed an election to receive compensation pursuant to 42 U.S.C. § 300aa-21(a)(1), the Secretary of Health and Human Services will issue the following vaccine compensation payment:

- A. A lump sum of **\$24,938.50** in the form of a check payable to petitioner. This amount represents compensation for all damages that would be available under 42 U.S.C. § 300aa-15(a).
- B. A lump sum of **\$61.50**,<sup>2</sup> representing reimbursement of a Medicaid lien for services rendered to petitioner by the State of California, in the form of a check payable jointly to petitioner and the California State Treasurer:

Department of Health Care Services  
Recovery Branch- MS 4720  
P.O. Box 997421  
Sacramento, CA 95899-7421  
Case # C94115974A-VAC03

---

<sup>2</sup> This amount represents full satisfaction of any right of subrogation, assignment, claim, lien, or cause of action that the State of California may have against any individual as a result of any Medicaid payments that the California Program has made to or on behalf of Stamatia Haritoudis as a result of her alleged vaccine-related injury suffered on or about October 16, 2019, under Title XIX of the Social Security Act, *see* 42 U.S.C. § 300aa-15(g), (h).

Petitioner agrees to endorse this check to the California State Treasurer. These amounts represent compensation for all damages that would be available under 42 U.S.C. § 300aa-15(a).

9. As soon as practicable after the entry of judgment on entitlement in this case, and after petitioner has filed both a proper and timely election to receive compensation pursuant to 42 U.S.C. § 300aa-21(a)(1), and an application, the parties will submit to further proceedings before the special master to award reasonable attorneys' fees and costs incurred in proceeding upon this petition.

10. Petitioner and her attorney represent that they have identified to respondent all known sources of payment for items or services for which the Program is not primarily liable under 42 U.S.C. § 300aa-15(g), including State compensation programs, insurance policies, Federal or State health benefits programs (other than Title XIX of the Social Security Act (42 U.S.C. § 1396 et seq.)), or entities that provide health services on a prepaid basis.

11. Payment made pursuant to paragraph 8 of this Stipulation and any amounts awarded pursuant to paragraph 9 will be made in accordance with 42 U.S.C. § 300aa-15(i), subject to the availability of sufficient statutory funds.

12. The parties and their attorneys further agree and stipulate that, except for any award for attorneys' fees and litigation costs, and past unreimbursed expenses, the money provided pursuant to this Stipulation will be used solely for the benefit of petitioner as contemplated by a strict construction of 42 U.S.C. § 300aa-15(a) and (d), and subject to the conditions of 42 U.S.C. § 300aa-15(g) and (h).

13. In return for the payments described in paragraphs 8 and 9, petitioner, in her individual capacity, and on behalf of her heirs, executors, administrators, successors, and assigns,

does forever irrevocably and unconditionally release, acquit, and discharge the United States and the Secretary of Health and Human Services from any and all actions or causes of action (including agreements, judgments, claims, damages, loss of services, expenses and all demands of whatever kind or nature) that have been brought, could have been brought, or could be timely brought in the United States Court of Federal Claims, under the National Vaccine Injury Compensation Program, 42 U.S.C. § 300aa-10 et seq., on account of, or in any way growing out of, any and all known or unknown, suspected or unsuspected personal injuries to or death of petitioner resulting from, or alleged to have resulted from, the flu vaccination administered on or about October 16, 2019, as alleged by petitioner in a petition for vaccine compensation filed on or about January 8, 2021, and as amended on July 9, 2021, in the United States Court of Federal Claims as petition No. 21-355V.

14. If petitioner should die prior to entry of judgment, this agreement shall be voidable upon proper notice to the Court on behalf of either or both of the parties.

15. If the special master fails to issue a decision in complete conformity with the terms of this Stipulation or if the United States Court of Federal Claims fails to enter judgment in conformity with a decision that is in complete conformity with the terms of this Stipulation, then the parties' settlement and this Stipulation shall be voidable at the sole discretion of either party.

16. This Stipulation expresses a full and complete negotiated settlement of liability and damages claimed under the National Childhood Vaccine Injury Act of 1986, as amended, except as otherwise noted in paragraph 9 above. There is absolutely no agreement on the part of the parties hereto to make any payment or do any act or thing other than is herein expressly stated and clearly agreed to. The parties further agree and understand that the award described in this Stipulation may reflect a compromise of the parties' respective positions as to liability and/or

amount of damages, and further, that a change in the nature of the injury or condition or in the items of compensation sought, is not grounds to modify or revise this agreement.

17. This Stipulation shall not be construed as an admission by the United States or the Secretary of Health and Human Services that the flu vaccine caused petitioner's dermatofibroma, keloid scar, any other injury, or her current condition.

18. All rights and obligations of petitioner hereunder shall apply equally to petitioner's heirs, executors, administrators, successors, and/or assigns.
